David and Diane – Althea and I reviewed the call log to determine which calls were specific to region 6 so we could respond to them in a timely manner. As of today, 12 calls have been received which require our response. Please review the attached draft file and let us know if you have any comments. Joan Drammeh will be helping us return the calls once we have the responses cleared by you.

For ease in reviewing the responses on your mobile device, I have included the text as part of this message. Monica
